

.....arbor glen.....

Welcoming ALL. Embracing YOU.

A different **COMMUNITY**
that feels
UNDENIABLY FAMILIAR.

Welcome to Arbor Glen. A senior living community in Bridgewater with its own unique personality. A personality a lot like yours. Diverse. Distinct. And rich with life. Here, we honor the Quaker values of simplicity, peace, integrity, community, equality and stewardship. Embracing all walks of life has shaped the landscape of our vibrant lifestyle. *We truly welcome all.*

The mission of Arbor Glen, sponsored by Friends Retirement Concepts, Inc., is to enhance the dignity and worth of our individual members by providing quality life choices for seniors in a continuum of care services on a fiscally secure basis and providing socially accountable services to our larger community.

.....*Your* **STORY** can **CONTINUE** here.

Live as you wish. The Arbor Glen maintenance-free lifestyle is filled with options and opportunity. Dining is a true pleasure whether in our formal dining room or Bistro Café and features seasonal menus created by our very own executive chef and executed by his talented culinary team including an on-site pastry chef. The fitness center offers a variety of classes and wellness programming, and you'll also have peace of mind knowing we provide local transportation services and 24-hour security. Fill your schedule with daily community activities or simply enjoy the company of fellow residents — no matter what you choose — your life's story can continue to flourish here.

You'll also appreciate our well-stocked library, gift shop, on-site entertainment programs, art exhibitions, cultural excursions, recreational activities, book clubs, card and game nights and, yes, social gatherings!

Healthy **LIVING**
CHANGES LIVES.

Our holistic approach to healthy living brings a fresh perspective to the way we view, design and implement our wellness programs. Each is specifically created to provide a more enhanced and engaged experience for residents on all levels of living. Our entire staff is trained to work with people to increase their physical, social, spiritual and intellectual health.

Arbor Glen promotes a whole-HEALTHY community vision where everyone benefits.

The **SECURITY** of
LIFE *Care*

Life Care is one of the smartest, most efficient means to secure your future against the rising cost of long-term care allowing you to lead a more relaxed and confident lifestyle. At Arbor Glen, you'll have priority access to assisted living, on-site short- and long-term skilled nursing, sub-acute care, memory support, and comprehensive rehabilitation services, if you should ever need them. You'll also find comfort in the predictable monthly expenses and estate protection through our entrance fee program. It really is one of the wisest decisions you can make for you and your family.

Award-Winning CARE

at THE HEALTH CENTER
AT ARBOR GLEN

The Health Center at Arbor Glen is the headquarters for health care services at our continuing care retirement community. Take one step inside and you'll be greeted by the same comfortable, warm environment as provided in independent living. We take pride in the leadership of our dedicated staff. Their thoughtful professionalism has resulted in the Centers for Medicare and Medicaid Services awarding The Health Center at Arbor Glen consistent top ratings for excellence in nursing care.

We invite you to explore Arbor Glen for yourself so you too can discover the diversity of our people and our spirit — we truly welcome all and embrace each resident's unique individuality. For a tour of our community or to speak with one of our sales counselors, please call (908) 595-6600.
