..... We're Deighton & Alice Douglin, and our story has taken us from fulfilling careers as missionaries in Africa and to a relaxed, yet engaged, lifestyle at Arbor Glen. It's a beautiful community inside and out, complete with the friendliest people we encountered on our quest for a new home. Whether it's games of bocce ball, scenic walks on the community grounds or sharing our lives with other residents through Alice's autobiography, we're adding meaningful memories to our life stories every day.

Your STORY

BELONGS here.....

.....We are Charlotte and Wayne McAfee and our happy retirement story began a little over 19 years ago because that's when we discovered Arbor Glen. With the support of our three daughters, we became founding members of the community. Right away, we knew it was going to be much more than a building. The people were authentic, their lives interesting and we all genuinely cared for one another. Today, we're pleased to say not much has changed.

Your STORY

BELONGS here.....

.....My name is June Adams and my story is set to the tune of growth and a desire to keep opening new doors. For me, starting piano lessons later in life was simply the next step in pursuing my lifelong love of music and the arts. In fact, I was attending outings to the New Jersey symphony and other cultural events with Arbor Glen residents before I was even a resident! That's how comfortable I felt in the community so, naturally, that's why I chose it as my community. And I can tell you with confidence that life has been a sweet song ever since.
