CELEBRATION  
VILLAGE

# New. Purposeful. *Different.*

Every day,  
*a special day.*

This is what Celebration Village is all about: Waking up with a fire in your belly to do something you love or have never tried before. Quality moments with family and friends, learning and growing together. Years of research in health and wellness and defying the myths of aging. Enjoying the most bang for your buck with value and true peace of mind. Having access to everything you want, without compromising who you are. Living, thriving – not simply residing. At Celebration Village, you'll find it all.

Discover independent living in an extraordinary setting centered around freedom, choices, comfort and convenience. Beyond maintenance-free residences that allow you to simplify the daily strains of life, Celebration Village provides the resources, services and amenities you deserve to maximize your fullest potential.

**Experience a breakthrough  
that will change the way  
you feel about aging.**

Celebration Village is a brand-new senior living community opening soon in South Forsyth County designed purposely for successful aging. It's one of two pioneer communities developed with the founders of Masterpiece Living® – a program that provides the tools and opportunities to fully enjoy life and live healthier, longer.

**The Celebration Club  
provides a glimpse of what  
your future has in store.**

Some of the greatest stories begin at the table. That's why dining is such a big part of the lifestyle at Celebration Village. And the choices for nourishment are many – from homemade meals in your own full-size kitchen to three meals prepared daily by our signature culinary staff.

Good food, distinctive atmosphere and delightful company are on the menu every day. Take a cooking class in the demo kitchen, where you can also enjoy a fresh omelet/panini or learn the latest recipes for healthy, fresh eating. Choose from different options for home-style, gourmet or lighter fare. Meet friends for drinks and appetizers at The Spot bar in Celebration Club. Or, ride the courtesy shuttle to watch the game with friends at one of the restaurants adjacent to campus.

**At Celebration Village, steak night is every night. And happy hour is every day.**

More than a place to live,  
*it's the best way  
to celebrate life.*

Celebration Village is a unique community dreamed, designed, and built around the idea that your golden years should be your best years, something to celebrate and embrace. By adopting our scientifically-proven Masterpiece Living lifestyle program, residents will embark on a new journey toward living a longer, healthier, happier life.

It's about growing personally, physically, socially, spiritually, culturally and intellectually. Aging better, not older.
