

A scenic view of a city skyline, likely Nashville, Tennessee, seen from a high-rise apartment window. The view is framed by light-colored curtains on the left and a balcony railing at the bottom. The city features a mix of modern skyscrapers and older buildings, surrounded by green trees and a highway with traffic in the foreground. The sky is blue with scattered white clouds.

## We're redefining independent living. *See for yourself.*

Looking to gain a better vantage point of life and your future? Then, you must see Skyline Village, Birmingham's newest rental senior living community.

Besides affordable independent living apartments, Skyline Village offers an all-inclusive, maintenance-free lifestyle — providing you the freedom and inspiration to embrace each day.

Fulfilling activities and resort-style amenities keep you physically, socially, intellectually, culturally and spiritually engaged. Warm, friendly neighbors and staff share in laughter, fellowship and special moments together.

Our reasonable monthly fee covers three daily meals prepared by our culinary team, transportation to scheduled appointments, social outings and on-site events, plus weekly housekeeping and all utilities.

Discover what's possible when you focus more on *living* than things like home upkeep, meal planning and paying bills. At Skyline Village, you'll find an affordable approach to independent living with scenic views of downtown Birmingham inside and outside your door.

*Affordable Elegance.* Hollywood Boulevard Salon & Barber Shop, Ironman Fitness Center, Overlook Restaurant *and more.*
