# FULLNESS. FLEXIBILITY. PEACE OF MIND.

The Fountains of Hope is an assisted living, memory support and short-term respite care community providing affordable rental apartments and quality care services in an enriching and engaging setting. Floor plans range from studio to one- and two-bedroom residences, all featuring natural light. Physical, intellectual, social and spiritual opportunities abound, along with all-day dining options for continued nourishment. Residents and families also benefit from a close affinity with Church of Hope, located adjacent to campus. The choices are many to suit you or your loved one's individual lifestyle and budget.

## *It's positively* NEIGHBORLY.

At The Fountains of Hope, our warm and welcoming accommodations make residents and their families feel right at home. To maintain a close-knit feeling, each neighborhood features its own central amenities – including an activity room with a large, flat-screen television and cozy fireplace. There is plenty of room for your loved ones to meet new friends, create lasting connections and explore interests in art, music, programs and presentations. Plus, two laundry areas on each floor and an emergency call system for added confidence and security.

## MEMORY CARE.

When someone you love has Alzheimer's or dementia, nurturing the memories that remain and enjoying special moments together are far more important than anything else. That's why we celebrate everything our residents do and participate in each day. Our highly-trained staff understands the importance of providing them with the individualized attention they deserve through our person-centered, activity-focused approach to care. Outside each apartment you'll find safe, secured walking areas in a beautiful enclosed courtyard and covered veranda.

## ASSISTED LIVING.

Home is where you feel most comfortable. Whether your loved ones need help with bathing, dressing, medications, meal planning or preparations, you can count on compassionate professionals to deliver personalized support in the environment you choose. A licensed nurse is on site 24 hours a day, 7 days a week – that's something both you and your loved ones can count on for added assurance and peace of mind.
