

New Year. NEW BEGINNINGS.

Give Yourself the Gift of Redstone Village

A new year always brings new opportunities, new experiences, new beginnings — and this year, we hope you'll make Redstone Village part of your future plans.

As the area's only locally owned and operated life care retirement community, Redstone Village offers a vibrant, hassle-free independent lifestyle with peace of mind for the future.

Instead of worrying about the burdens of home maintenance, you'll have plenty of free time to do as you please — take a swim in the indoor pool at our Aquatics Center, work out or take a class in the Fitness Center. Enjoy the culinary talents of our executive chef in Redstone's beautifully appointed Dining Room, join friends for an outing to one of the many Huntsville attractions, and so much more.

This new year, give yourself the perfect gift — the gift of Redstone Village. To learn more, give us a call at **800-614-9724** to schedule a personal tour!
