for Veterans.

You fought for **OUR BENEFITS.** *Now, let us help you enjoy yours.*

Are you a U.S. Veteran or surviving spouse? If so, you could be eligible for benefits up to \$1,800 per month to help you pay for out-of-pocket medical expenses including assisted living and memory support. These benefits are offered by the Veteran's Administration to qualifying U.S. Veterans or their surviving spouses, but few realize this program exists.

At The Fountains of Hope, we're here to help! We can connect you and your loved ones with the right resources to get the application process started, free of charge. Contact us to learn more about these special benefits, the conditions that apply and how to get started on the prequalification paperwork. We'll stand by your side and give our fullest attention to guide you along the way.
